

Internship description:

We are an agri-tech platform seeking a motivated intern to help us build a sustainable platform for farmers and corporates. The internship will expose you to a wide range of industries and frameworks including farming, climate regulation, corporate responsibility, data platforms and tech start-ups.

Company name:

Ruminati

Location:

Sydney

Company description:

Ruminati is a platform created by farmers, for farmers. We allow farmers to log their climate activity and demonstrate their sustainable credentials to supply chains and corporates. We are a growing start-up based in regional NSW and Sydney, with a team that travels to meet regularly with stakeholders around the country - including farmers, corporates and government. We are flexible on timeframes.
