

Biology/ Science Teacher

Biology/ Science Teacher

Ascham is an independent girls' school, and since its foundation in 1886 has educated girls who develop into confident, independent and compassionate young women with a sense of purpose in the world. Ascham is an inclusive, day and boarding school that provides a strong academic program within a warm, welcoming environment.

We are seeking a Full-time Permanent Biology teacher starting Term 1, 2025.

Applicants will be able to demonstrate a track record of:

- Their students producing a range of high-quality work
- An ability to deliver safe and engaging lessons
- An understanding of key concepts and the ability to demonstrate practical techniques
- An awareness and ability to provide and manage a safe work environment
- Appropriate use of ICT
- An ability to develop self-efficacy in the students they teach

What you have to do to succeed:

- A tertiary major in Biology and accreditation with NESAs
- Experience teaching Biology to Stage 6
- Ability to differentiate for a diverse group of non-selective students and teach to the strengths of girls
- Demonstrated excellence in communication and writing skills
- Proven ICT skills within an environment where students bring a personal device to school
- Well-developed time management and organisational skills
- Willingness to continue to develop as a teacher
- Hold a current First Aid and CPR Certificate
- A valid Working with Children clearance.

The successful applicant will enjoy small class sizes, a stimulating work environment in a team of talented professionals, and attractive remuneration and benefits. Please note that only shortlisted candidates will be contacted.

Further information (including position description) for this role is available:

<https://www.ascham.nsw.edu.au/connecting/careers-at-ascham/>

Please apply via Seek with your cover letter, CV (please include WWCC, NESAs & First Aid details) and the names and contact details of two referees by COB **04 December 2024**. Please note that only shortlisted candidates will be contacted.

Please note, we will not proceed with applications that do not have this information.
